WORKSHOP ON INTELLECTUAL PROPERTY RIGHTS (IPRS) AND IP MANAGEMENT FOR START UP HELD ON 20-03-2021 **REPORT**

OBJECTIVE OF THE EVENT:

The objective of this webinar is to aware the internal faculty members about **Intellectual Property Rights (Iprs) And Ip Management For Start Up**. It is believed that this program will help our internal faculty members to develop in house research facility for future innovation. To make aware the faculty members about IPR and its management.

BENEFICIARIES OF THE EVENT:

Benefits in terms of learning/Skill/Knowledge is obtained by this program will help our internal faculty members to develop knowledge in Intellectual Property Rights (IPR) And IP Management for Start Up using the in house research facilities.

ABOUT RESOURCE PERSON:

Mrs. Dr. C. R. Bhanu Priya, Patent attorney & consultant, Pune was the Guest of the day. She has abundant experience in Patenting, IPR, Research and Innovations in advanced areas.

ABOUT THE PROGRAMME:

Workshop on Intellectual Property Rights (IPRs) And IP Management for Start Up in upcoming technologies & advanced in various areas in engineering and technology is held on 20-03-2021.

INAUGURATION OF PROGRAMME:

The programme was organized by the IIC, SISTK.

The programme was convened by Dr. Savitesh M Sharma, Professor, ECE, SISTK

The program was inaugurated by K. Ashok Raju, Chairman, Siddharth Group of Educational Institutions (SGEI), Puttur. Dr. K. Chandrasekhar reddy, Principal, SIETK, Dr. M. Janardhana raju, Principal, SISTK were present to lead the program.

The Guest speaker detailed in their speech about the IP and Creation of Patents required for a faculty to excel in academics as well as research.

The resource person shared his knowledge as per in the trends of industry and inculcate research culture for the self growth and institutional growth.

The guest speaker stressed the importance of IP and Creation of Patents.

The expert also motivated the participants with their career and life experiences to strengthen themselves mentally and intellectually. It was an interactive session exchanging the knowledge.

The program was successfully completed by the presence of entire teaching faculty from the Siddharth Group of Educational Institutions

The Programme was ended with Vote of Thanks to the Guest of the day by the convener of the program.

Introduction to IP and Creation of Patents

HELD ON 31-03-2021

A REPORT

OBJECTIVE OF THE EVENT:

The objective of this webinar via Zoom meeting is to aware the internal faculty members about Introduction to IP and Creation of Patents. It is believe that this program will help our internal faculty members to develop in house research facility for future innovation.

BENEFICIARIES OF THE EVENT:

It is a platform for PG students, Faculty, Research aspirants. It gives an ample opportunity to gain knowledge on IP and Creation of Patents in upcoming technologies & advanced in various areas in engineering and technology.

ABOUT RESOURCE PERSON:

Dr. Monika Shukla, Professor of Mechanical Engineering Department, SISTK

The Guest of the day is an eminent professor and researcher, who has abundant experience in academics, research and innovations in advances in Mechanical engineering areas.

Profile of Dr. Monika Shukla, AVP Special Project, Sanshadow Consultants Pvt. Ltd. She is PhD in physics and over 10 years of progressive experience within the Intellectual Property Rights, with specific experience throughout the full spectrum of various technologies of the Institutes and the companies.

ABOUT THE PROGRAMME:

The expert talk on **“IP and Creation of Patents”** in upcoming technologies & advanced in various areas in engineering and technology is held on 31-03-2021.
