About the event:

IIC of Siddharth Institute of Science and Technology, Puttur organized a Webinar on "Intellectual Property Rights- Patents and Design Process" in association with Rajiv Gandhi National Institute of Intellectual Property Management, under National Intellectual Property Awareness Mission (NIPAM). This event was conducted with the objective of giving exposure to the students and faculty to understand the importance of IPR.

The webinar commenced at 11:00 am on 11th Jan 2022 through online platform Zoom. The Coordinator Dr. Gangaiagh Yadav welcome the guest speaker and participants. Principal enlightened with the words regarding importance of the Program. Dr. Savitesh M. Sharma told an objective of the program and introduces speaker. Dr. Bharat Raghuvanshi, Guest Speaker of the program explained various elements of IPR like Trademark, Copyright, Patent etc. He illustrated many examples to clear about filing patent for the original concept and product. He informed the participants to develop a culture of IPR . He explained various steps involved in filling patent like prior art search, patent drafting, patent examination, first patent review etc. He asked all to give to focus more on prior art search, as it increases chances of your patent get approved. He also added that all the innovators could not file the patent. The innovation must improve the performance of existing product or make human life simpler. He also inspired participants for having their own patent. He informed participants about various agencies who assists the innovator in patent filling. He added that the Government of India have made the process so easy that one can file the patent and track the status of filed patent online. The session was attended by 123 students and 81 faculty members from various fields and Institution/organisation. The feedback of the program was taken from the participant and the certificates were issued by the RGNIPM, Nagpur.

OBJECTIVE OF THE EVENT:

Now-a-days IPR plays very important role for getting authority for their inventions. In this webinar Faculty and Students able understand the concept of IPR. Know the Importance of IPR now-a-days and also described the products are patent granted.

BENEFICIARIES OF THE EVENT:

Benefits in terms of learning/Skill/Knowledge is obtained by this program will help our internal faculty members, internal faculty members and students to develop knowledge in Intellectual Property Rights (IPR) And IP Management for filing a patent of their innovations.

ABOUT RESOURCE PERSON:

Dr.N.Krishna Chaitanya

Associate Professor, ECE Department

RSR Engineering College, Kavali, Andhra Pradesh

ABOUT THE PROGRAMME:

IPR Cell in Association with IIC, has organized a webinar on “**Importance of Intellectual Property Rights and Patent**” on 26.04.2022.

INAUGURATION OF PROGRAMME:

The programme was organized by the IPR Cell in association with IIC, SISTK.

The programme was convened by Dr. C.Gangaiah Yadav, Associate Professor, ECE, SISTK

The program was inaugurated by K. Ashok Raju, Chairman, Siddharth Group of Educational Institutions (SGEI), Puttur. Dr. M. Janardhana raju, Principal, SISTK were present to lead the program.

The Guest speaker detailed in their speech about the IP and Creation of Patents required for a faculty to excel in academics as well as research.

The resource person shared his knowledge as per in the trends of industry and inculcate research culture for the self growth and institutional growth.

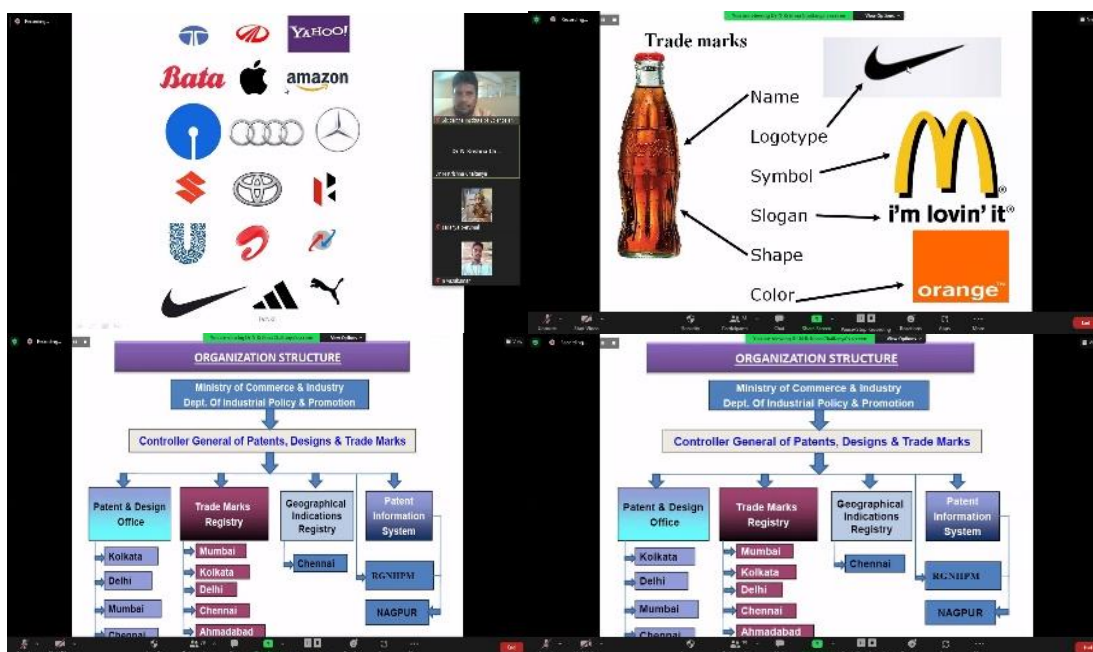

The guest speaker stressed the importance of IP and Creation of Patents.

The expert also motivated the participants with their career and life experiences to strengthen themselves mentally and intellectually. It was an interactive session exchanging the knowledge.

The program was successfully completed by the presence of entire teaching faculty and students from the Siddharth Group of Educational Institutions.

The Programme was ended with Vote of Thanks to the Guest of the day by the convener of the program.
